Who We Are

Every organization has a Mission Statement, and the best organization's statements are clear and succinct: ***The purpose of the Santa Cruz County Association of REALTORS® is to enhance the professionalism and integrity of our members, promote homeownership and protect private property rights.*** These words reflect our expectations of ourselves and our duties to you.

SCCAR is a real estate trade organization which represents all facets of the real estate industry in Santa Cruz County. Over 100 years ago in Santa Cruz, a handful of individuals joined together for the purpose of exchanging information about properties which were for sale and to share ideas about real estate. It was from this exchange of ideas that the local organization was formed.

When representing a buyer, seller, landlord, tenant, or other client as an agent, REALTORS® pledge themselves to protect and promote the interests of their client. This obligation to the client is primary, but it does not relieve us of our obligation to treat all parties honestly. As a group, SCCAR works year-round to promote this high standard by assisting its members in their ongoing efforts to better serve you.

Our members are REALTORS® and Affiliates, including lenders, title companies, inspectors and contractors. Collectively, we work with each other, the California Association of REALTORS® and the National Association of REALTORS® to better the real estate industry and protect private property rights.

Our members are REALTORS® and Affiliates, including lenders, title companies, inspectors and contractors. Collectively, we work with each other, the California Association of REALTORS® and the National Association of REALTORS® to better the real estate industry and protect private property rights.

Our Goal? Bridging the Gap to Homeownership!

The Santa Cruz County Association of REALTORS® Housing Foundation (SCCARHF) is a local non-profit organization focused on bridging the gap to home ownership for low income individuals and families in Santa Cruz County through our grant programs. Since our inception in 2003, we have given close to half a million dollars to local first-time home buyers, helping to build a strong community.

Help for first time home buyers

SCCARHF proudly offers two grants for first time home buyers: the Closing Cost Assistance Grant and the Community Heroes Grant. These programs can help first time home buyers realize their dream of home ownership in Santa Cruz County by assisting with costs and can be used in conjunction with other state, county or housing assistance programs. This can make the difference for some individuals in achieving home ownership.

How You Can Help

If you would like to support the Foundation, donations can be made directly or through our Escrow Contribution Program, tickets can be purchased to our annual fundraising events, Charity Poker Tournament and 'A Taste of Santa Cruz', or time can be donated. We are always in need of volunteers to help accomplish our mission!
