What buyers should know about the market in 2022

The CALIFORNIA ASSN. OF REALTORS® (C.A.R.) forecasts that would-be buyers will continue to benefit from a favorable lending environment, with the average 30-year fixed rate mortgage remaining below 3.5 percent for most of 2022. C.A.R. predicts that the fast pace will slow, but prices, in general, are still likely to go up. [Read more](#)
