### Bonny Doon Volunteer Workday

Beautiful Day is a neighborhood organization that is helping our neighbors in Bonny Doon hit by the CZU wildfires and the recent storms. This annual workday is an opportunity to come together as a community to help 8 families who have dead trees threatening their future homesites. Bonny Doon Church donations will fund these trees to be professionally felled and are seeking many hands to help buck, chip and clean up the areas. Additional service projects include installing deer fencing, putting together picnic tables, painting and lighter physical activities such as registration. The workday is Saturday, February 18, 2023. For more information and to sign up visit: [bonnydoonchurch.org/fire-recovery](http://bonnydoonchurch.org/fire-recovery)
