Hello REALTORS® and friends,

We want to share a wonderful story with you…

While we love helping all of our clients, the story of the Harts is especially heartwarming. Veronica Hart is a drafter for a local architect. Her husband, Brian, suffered a spinal cord injury six years ago while surfing at Steamer Lane. The injury left him unable to move his body from the shoulders down. Their son, Santiago, helped build the house.

The Hart Family

We are happy to tell you that with the support of several organizations, the Harts moved into their custom-built Habitat Home on June 22, 2024. Their home has accessibility features throughout, including voice controls for door, light, shades, and more. The Housing Foundation was very proud to help the Harts buy their home.

Thank you so much for your contributions to the Santa Cruz County Association Housing Foundation. Because of your support, we have been able to help teachers, single parents, community heroes, veterans, and seniors buy new homes.

Last year, 440 members donated a total of $9,000. If you weren't one of those 440, please join them this year and send a donation along with your dues. Please help us increase these numbers to 500 donating members (that's only 60 more!), and let's try to hit $15,000. That would be AMAZING!

As we approach the end of 2024, please consider a year-end donation to the Housing Foundation. Donations are 501 (c) tax-deductible. *Your donations directly help your community.* Please indicate on your board renewal form how much you can contribute. The more the better!

Thank you for your help!
