

# Geographic Information System (GIS) Basics

Presented by Paul Garcia, Senior GIS Analyst  
County of Santa Cruz Information Services Department

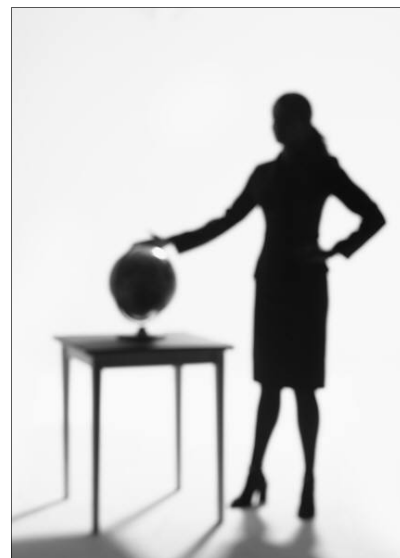

Friday, March 27th from 10:00am-11:00am

Santa Cruz Association of REALTORS® • 2525 Main Street Soquel, CA 95073

The Santa Cruz County Assessor's Geographic Information System (GIS) combines layers of information about the Santa Cruz County to reveal a better understanding of the area. Come learn how to select a parcel or an area of the County and discover the various designations that will affect use of the land, such as zoning, the General Plan land use designation, resources, and constraints.

Learn the basics of GIS, including terminology, data concerns, uses, "how-to's" and features of GISWEB, including:

- Parcel (APN) searches and information
- Available data layers
- Select Map feature
- Toolbar basics (pan, zoom, identify)
- Data download site
- Map gallery
- Printing
